CAPABILITY STATEMENT

COALA’s mission is to deliver expert and cost-efficient QC inspection services through personalized client engagement. We look forward to proving that to you!

Our LONG-TERM GOAL is to establish a reputation as the most reliable and professional QC inspection house in L.A. County. To achieve this, we must have clearly defined strategic goals:

- ✓ **Prioritize Client Relations:** No more than four continuous contractor clients at once
- ✓ **Dedicated Service Area:** Focus efforts in a single targeted geographic area
- ✓ **Organic Growth:** Harden existing core competencies while prioritizing organic growth through evolving customer needs over new client/business acquisitions

These means afford us a deep understanding of our clients’ current needs while anticipating their future demands. **You are not just “another client” to COALA, you are our partner.**

WHY CHOOSE COALA/OBFS?

Experienced...multiple years as the preferred vendor for a large commercial construction sub-contractor.

Low Overhead & Solvent...*VantageScore: 786 (Excellent); D&B SBFE Score: 923 (Low Risk)*

Rapid...decision making & mobilization – quick decisions with one owner + QC inspectors on-site in days, not weeks.

Agile & Pliable...COALA is free of corporate dogma and inertia - offering flexibility to quickly adapt to your processes and develop new services as we grow together.

Strategic Partners...leverage our WBE & DVBE partners to help your bids stand out or meet contractual mandates.

CORE COMPETENCIES

- ◇ **CONTRACT STAFFING**—Execute your project-duration QC personnel needs with experienced ICC/AWS/ANST credentialed inspectors - Send the specs, we do the rest! A COALA QC inspector will be on your project in no time!
- ◇ **CONSULTING**—pre-audit, SMEs, QC manual review, LABDS Deputy Inspector reviews
- ◇ **TRAINING & PROGRAM DEVELOPMENT**
